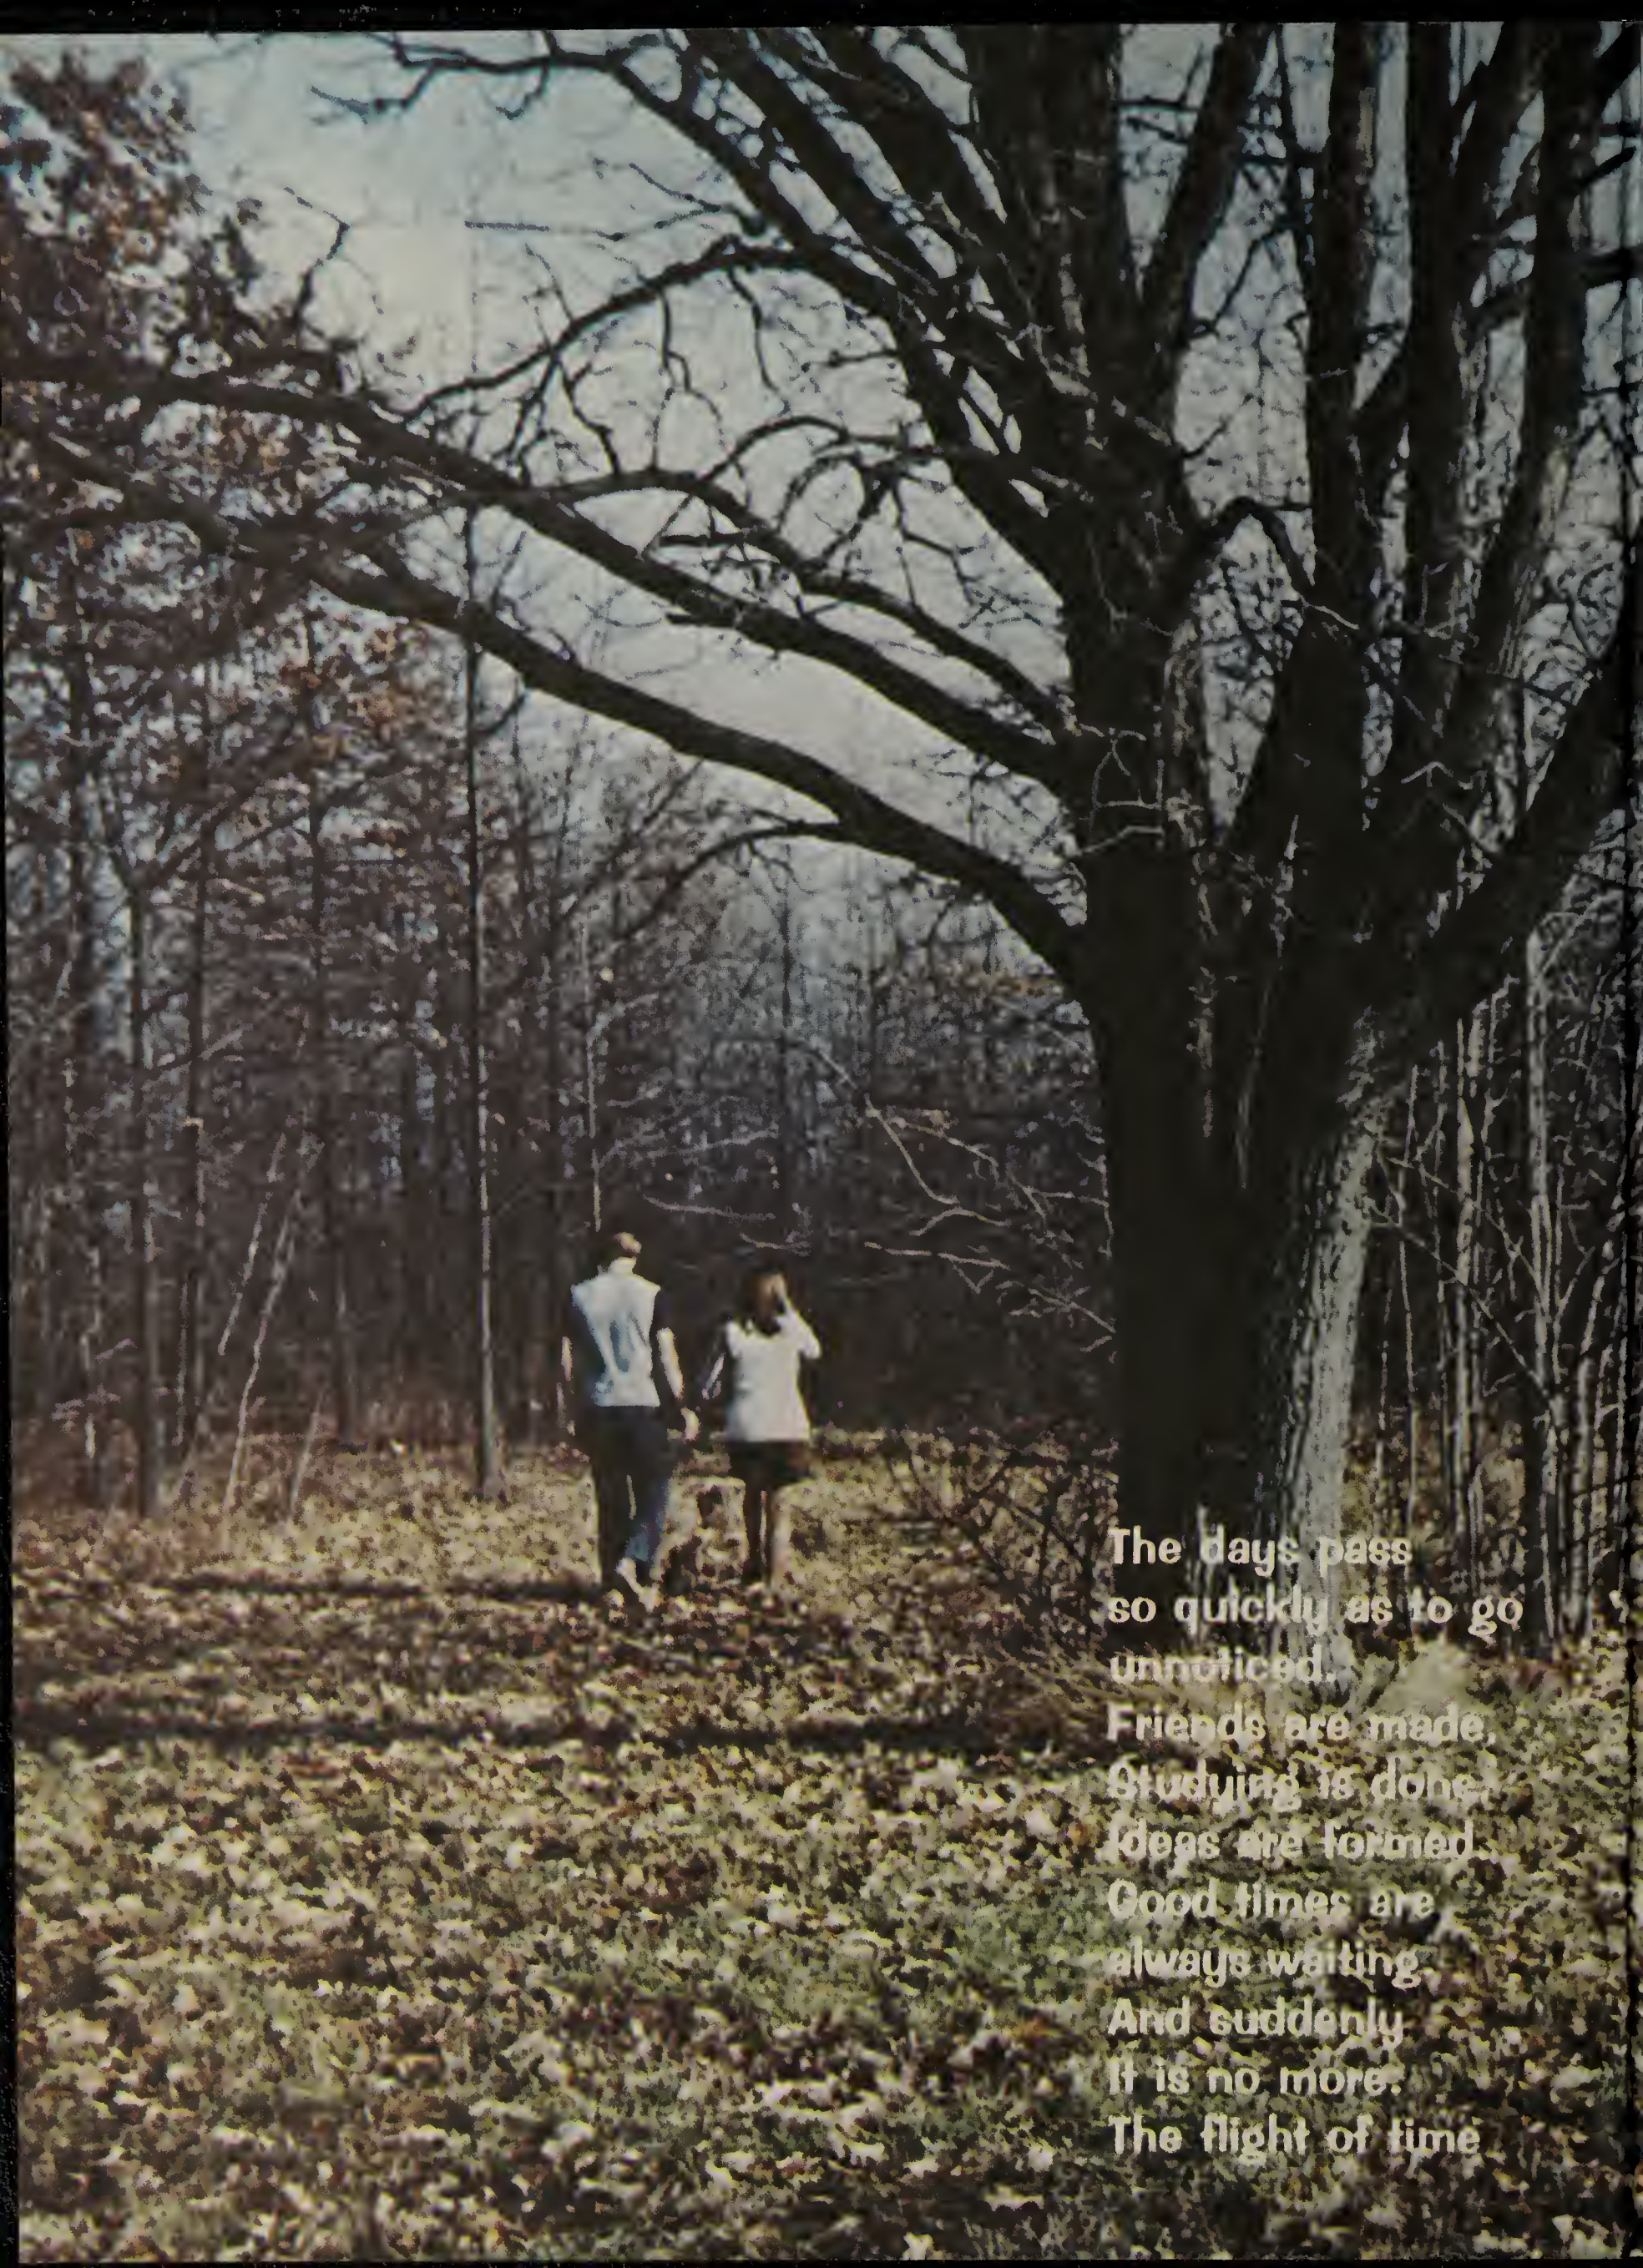
WARRIOR



The days pass
so quickly as to go
unnoticed.
Friends are made.
Studying is done.
Ideas are formed.
Good times are
always waiting.
And suddenly
it is no more.
The flight of time.

was so swiftly and
silent!
We were unaware
It would end so quickly.
But the thoughts remain.
The friends are kept.
And good times
are still waiting.
Along with a life
Endowed with
happiness and success.
Go to it in Peace.

WAR WHOOP AND

Frustration combined with confusion made up the 1973 paper staff on the days that the deadlines were due.

The staff published nine informative issues with the latest stories and happenings of the school.

My "wittiness" has escaped me . . .

Hard at work ???

What's going on down there??

WARRIOR STAFF

This year's "Warrior Staff" was composed of twenty imaginative (?), hard-working students. The staff went on a money-making spree, collecting pop bottles and selling afghan tickets to earn extra money for improvements on the yearbook.

Some days working on the yearbook seemed frustrating and impossible. But belonging to FV's yearbook staff has proven to be a rewarding and worthwhile experience.

"I don't think he will approve it . . ."

"Four against one, we've got you Mr. Rupp."

FRONT, L-R: L. Mohart, K. Cline, L. Schulz. SECOND ROW: B. Stevenson, B. Karnes, B. Walker, J. Kuhn, J. Vogelsong, D. Havens, P. Thomas, C. Sanders, J. Rieke, C. Mills, B. Townsend, Mr. Rupp. THIRD ROW: L. Cook, N. Unger, C. Doan, D. Peter, J. Hook. MISSING: Photographers - Jean Westrick, Roger Rhoden, and Sue Koch.

With a Little Help From My Friends . . .

We do get emotional sometimes!

What would you do if I sang out of tune,

would you stand up and walk out on me?

Lend me your ears and I'll sing you a song,

and I'll try not to sing out of key.

I get by with a little help from my friends,

I get high with a little help from my friends,

I'm gonna' try with a little help from my friends.

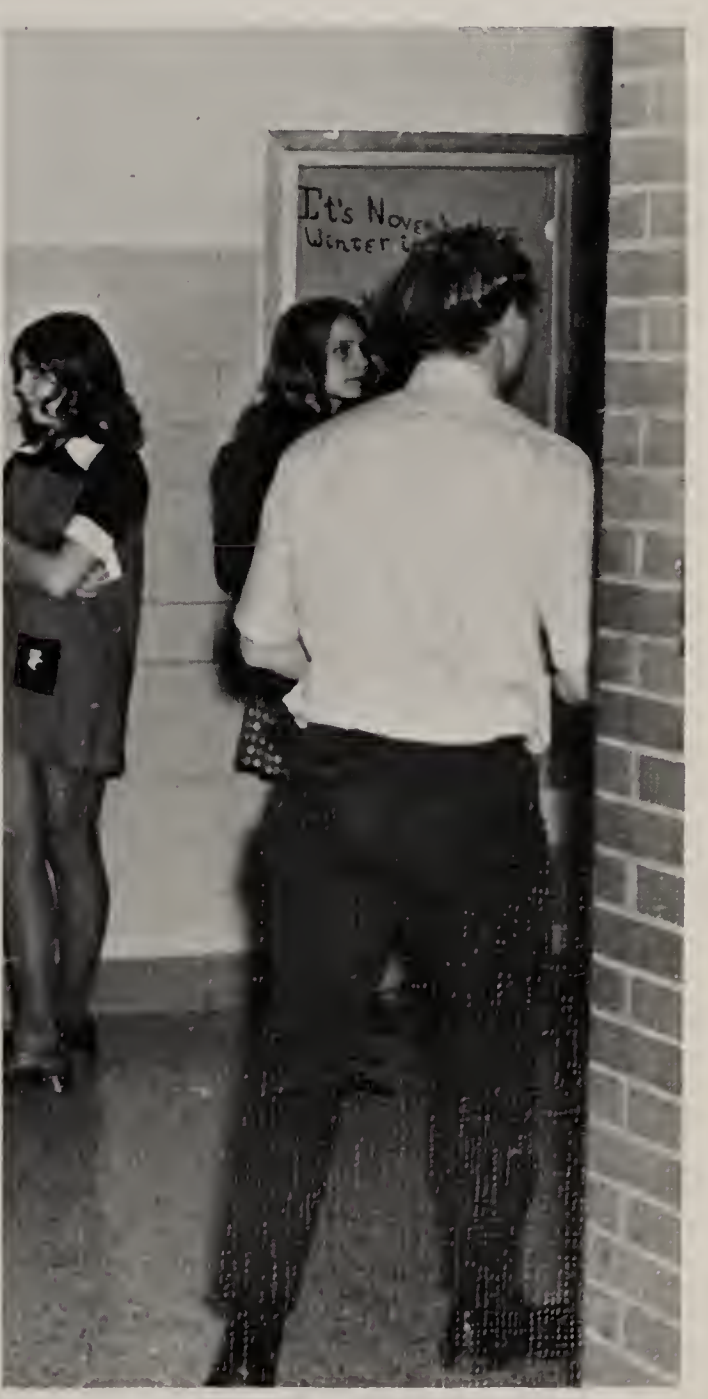
- John Lennon & Paul McCartney -

What do we eat? Aces meat!

Ed, it looks like it's going to be another one of those days!

They call this exercise?!

It's mine! No, it's mine! Give me that ball!



The better half of Mr. Rupp??

Becky Townsend takes time out to relax.

I told her not to use so much!

You just call out my name

And you know wherever I am

I'll come runnin' to see you again

Winter, Spring, Summer, or Fall

All you got to do is call

And I'll be there

You've got a friend.

- James Taylor -

Rubber Duckie, you're the one!

Chris Schoon and Rene Hartman bring Broadway to FV.

They're always out to get me!

Think we could get his autograph?

How do you handle a hungry man?

Dan the Man.

Exchange student, Sabine Colditz, talks with Mrs. Brackett.

You've Got a Friend . . .

And they're off! Linda Myers is out in front by a nose!

Are they fighting again?

Irma Moreno gets the treatment during GAA initiation.

The guys give equal opportunity to women.

Assembly - Remember Bil Cop's "Hi" Dive?

"I think I just sat on a tack!"

First chair soprano!

"The things you get us into, Weaner!"

Assembly - "Under New Management"

Bob Culler and Carl Goebel raise our country's flag.

"You call this music?"

"You better start running!"

Smile! You're on candid camera!

. . . air cleaner connected to the carburetor . . .

4-County Vocational "1973"

Kathy Rhoden working in OWE.

Only her hairdresser knows for sure!

Uck! Look at all that grease!

Learning by Experience

Fairview's future artists, Vicki Berry and Joe Phillips.

"Three days detention."

Barg smiles and the world smiles with her.

Dave Plummer gets caught in the act!

Michelle Hoeffel makes practical use of her training.

HEY, TEACH!

superintendent

Mr. Darrell E. Jones

Concern and sincerity have helped Mr. Jones succeed in accomplishing his goals for the Central Local School District. Consulting with the Board of Education on everpresent problems, offering aid and advice to students, and taking pride in school activities are fitted into his busy schedule.

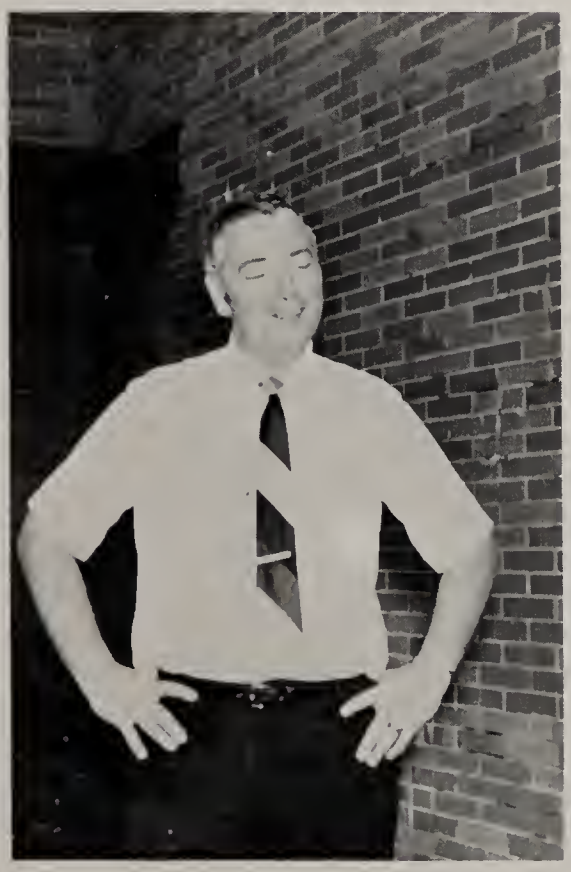
"Yes, that's right, no school today."

Principal

Even though the specific duties any principal has kept Mr. Breisinger busy, he is never too busy to participate in all FHS functions with special interest as he actively supports all school endeavors.

The students of FHS gratefully acknowledge the unselfish time and effort Mr. Breisinger spends to make our school a success.

"It's been one of those days . . ."



"I have to admit that I really don't know."

"Is that where he bit you?"

Board of Education

LEFT TO RIGHT: Robert Joost; Clerk, John Pendleton, Elmer Clinker, Francis Singer; Vice President, Robert Heisler; President, and Edgar Baker.

Efficient, well informed men are hard to find, but we have five on the Central Local Board of Education.

These men realize that a good education costs a lot of money and a great deal of hard work. The lack of it costs even more money and more hard work.

With men like these in control, we will continue to be rated very high at the scholastic level. They believe in superiority, not mediocrity for Fairview High School.

"What a time for my pen to run out of ink!"

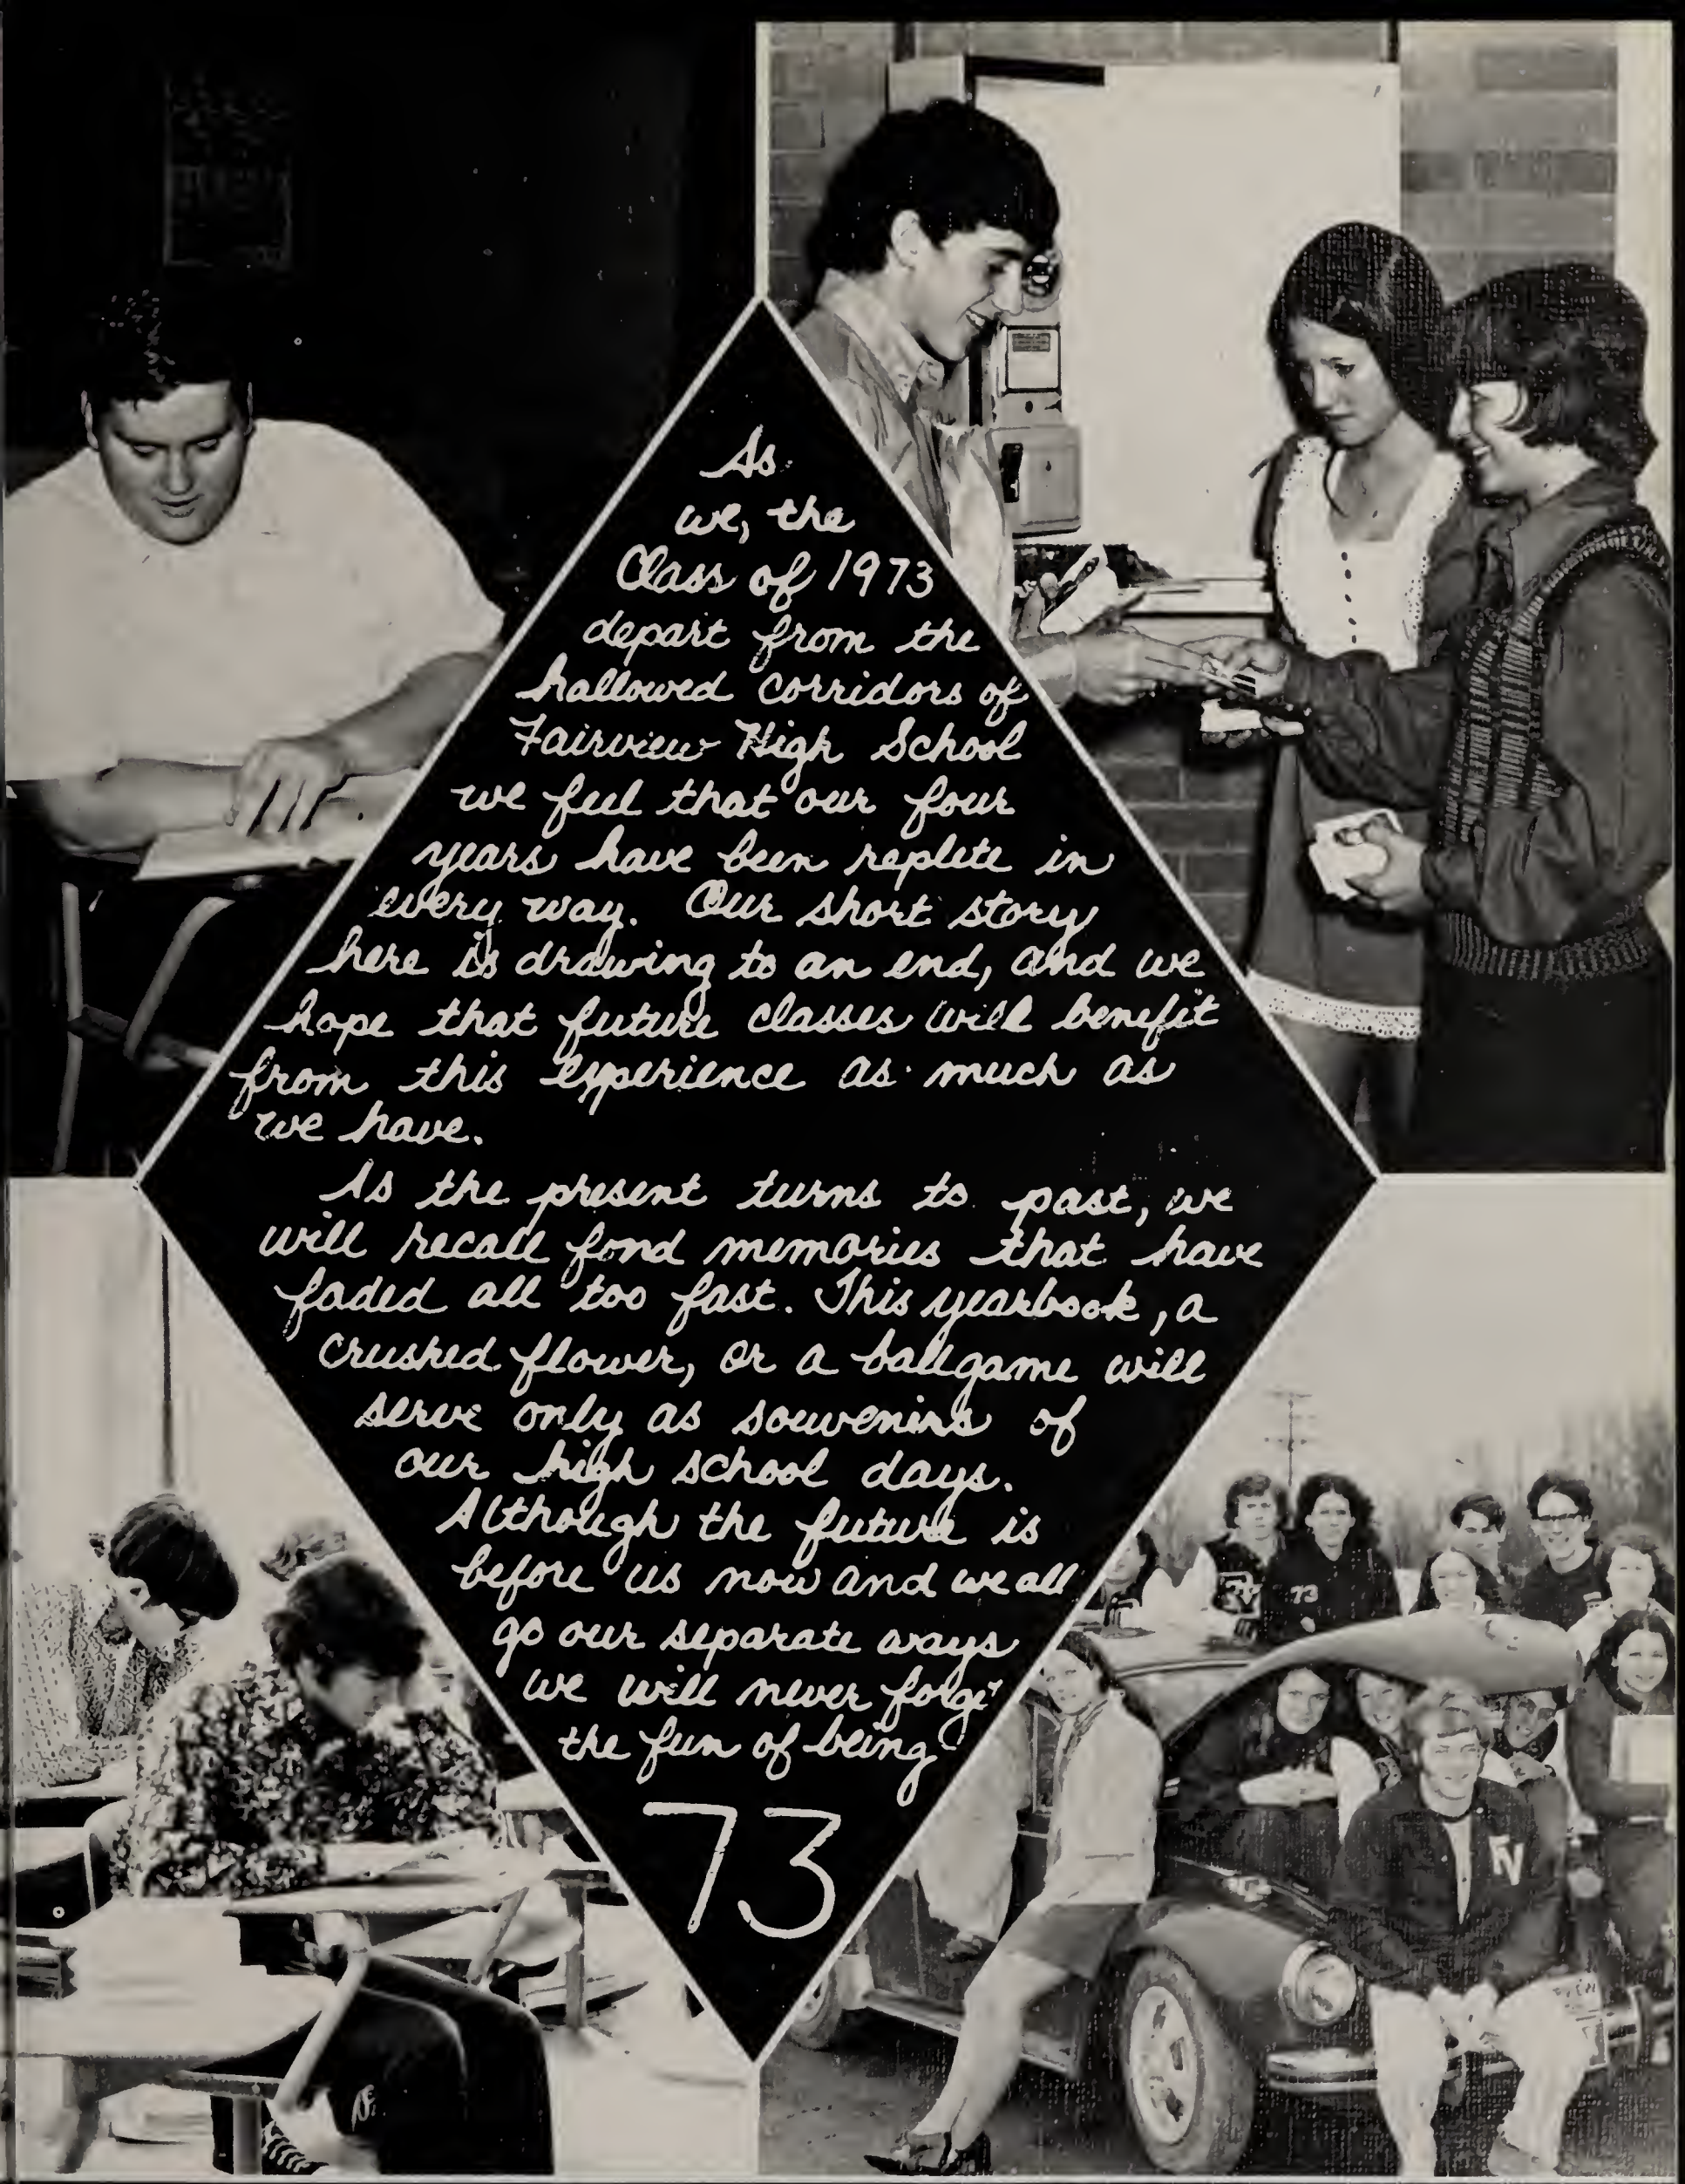
Senior Memories . . .

"I think I love her!"

Future Politicians?

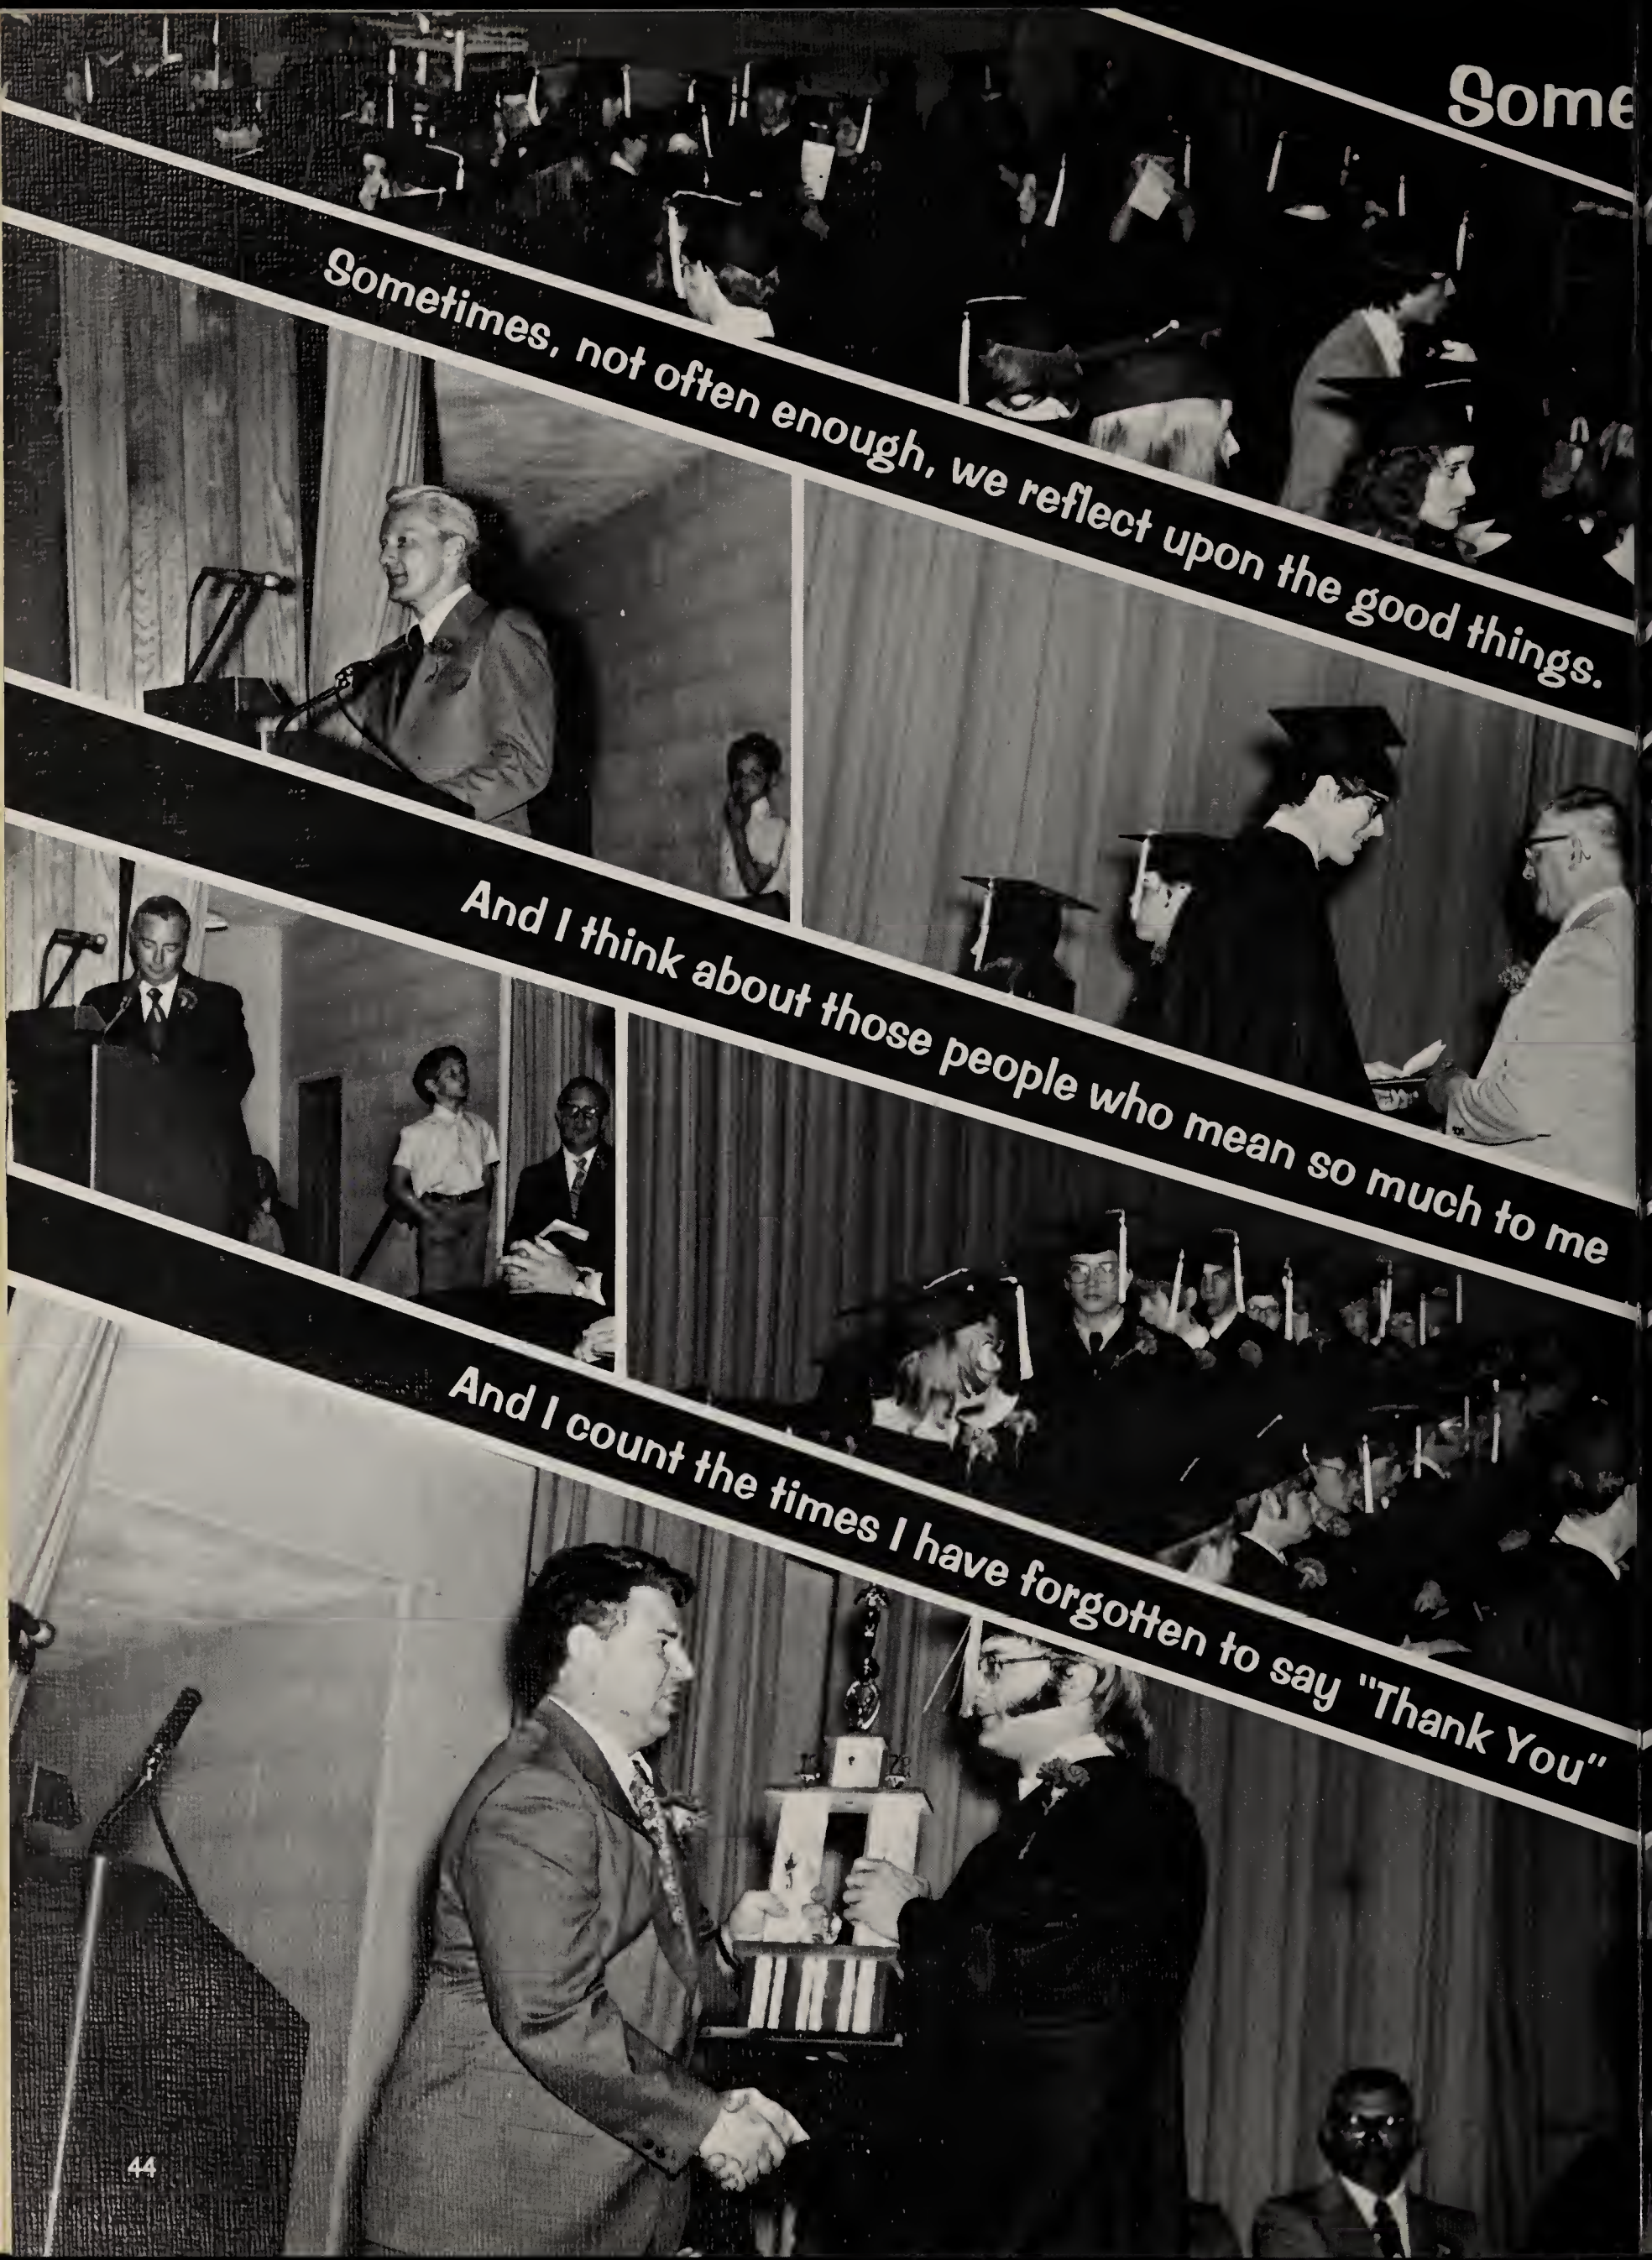
Hey, that kid took my sandwich!"



As we, the Class of 1973 depart from the hallowed corridors of Fairview High School we feel that our four years have been replete in every way. Our short story here is drawing to an end, and we hope that future classes will benefit from this experience as much as we have.

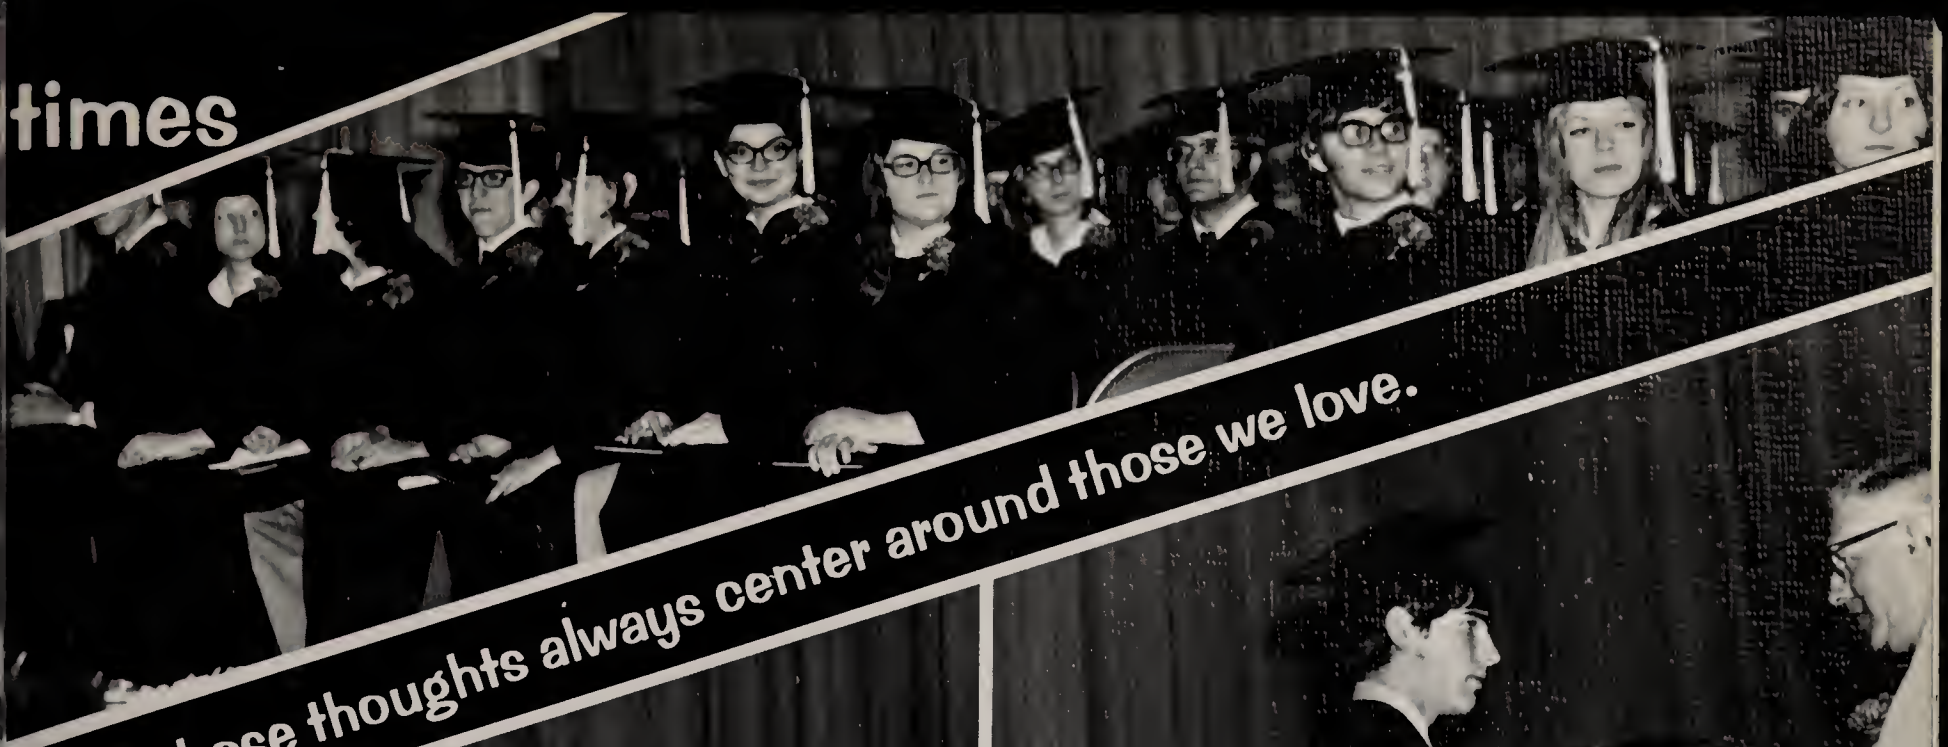
As the present turns to past, we will recall fond memories that have faded all too fast. This yearbook, a crushed flower, or a ballgame will serve only as souvenirs of our high school days. Although the future is before us now and we all go our separate ways we will never forget the fun of being

73

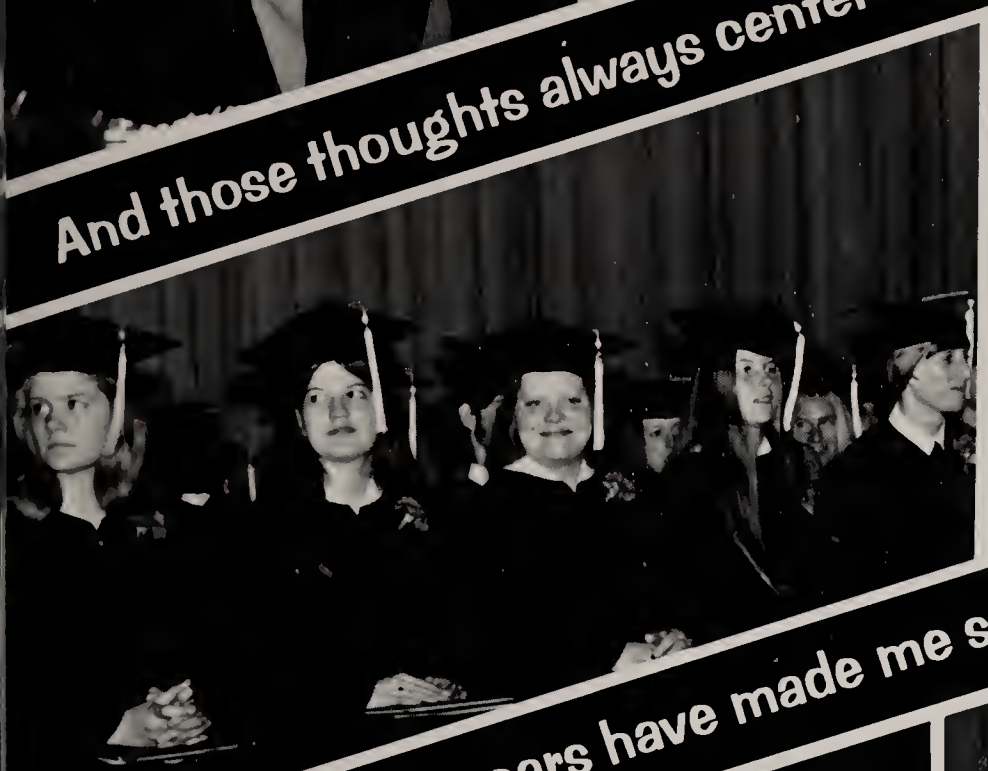


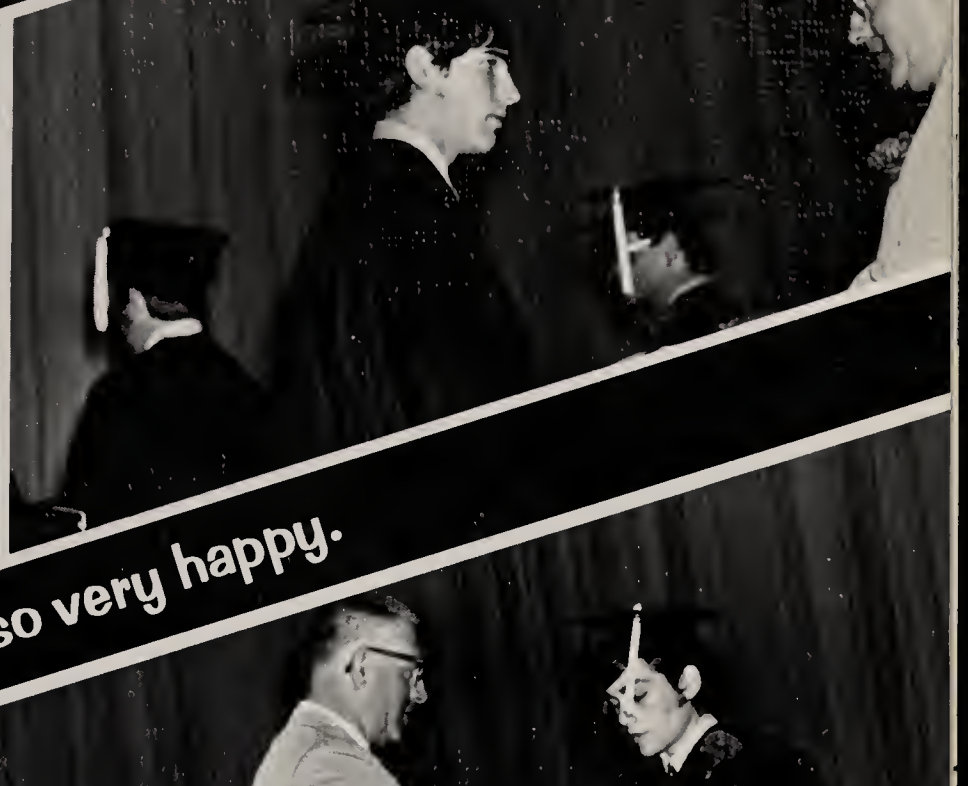
Some
Sometimes, not often enough, we reflect upon the good things.
And I think about those people who mean so much to me
And I count the times I have forgotten to say "Thank You"

times

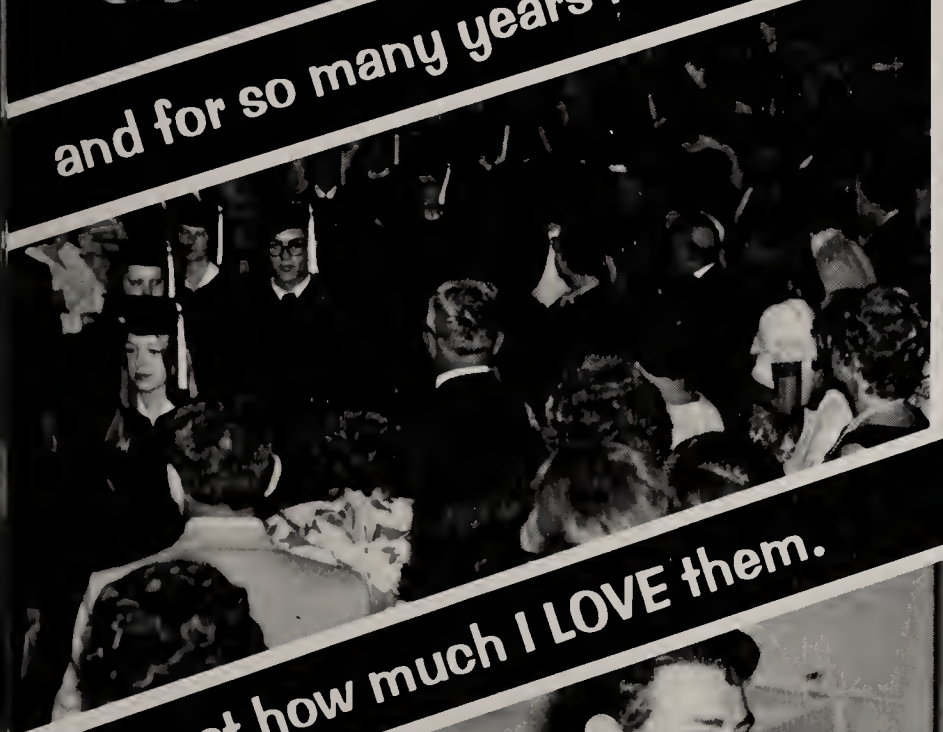


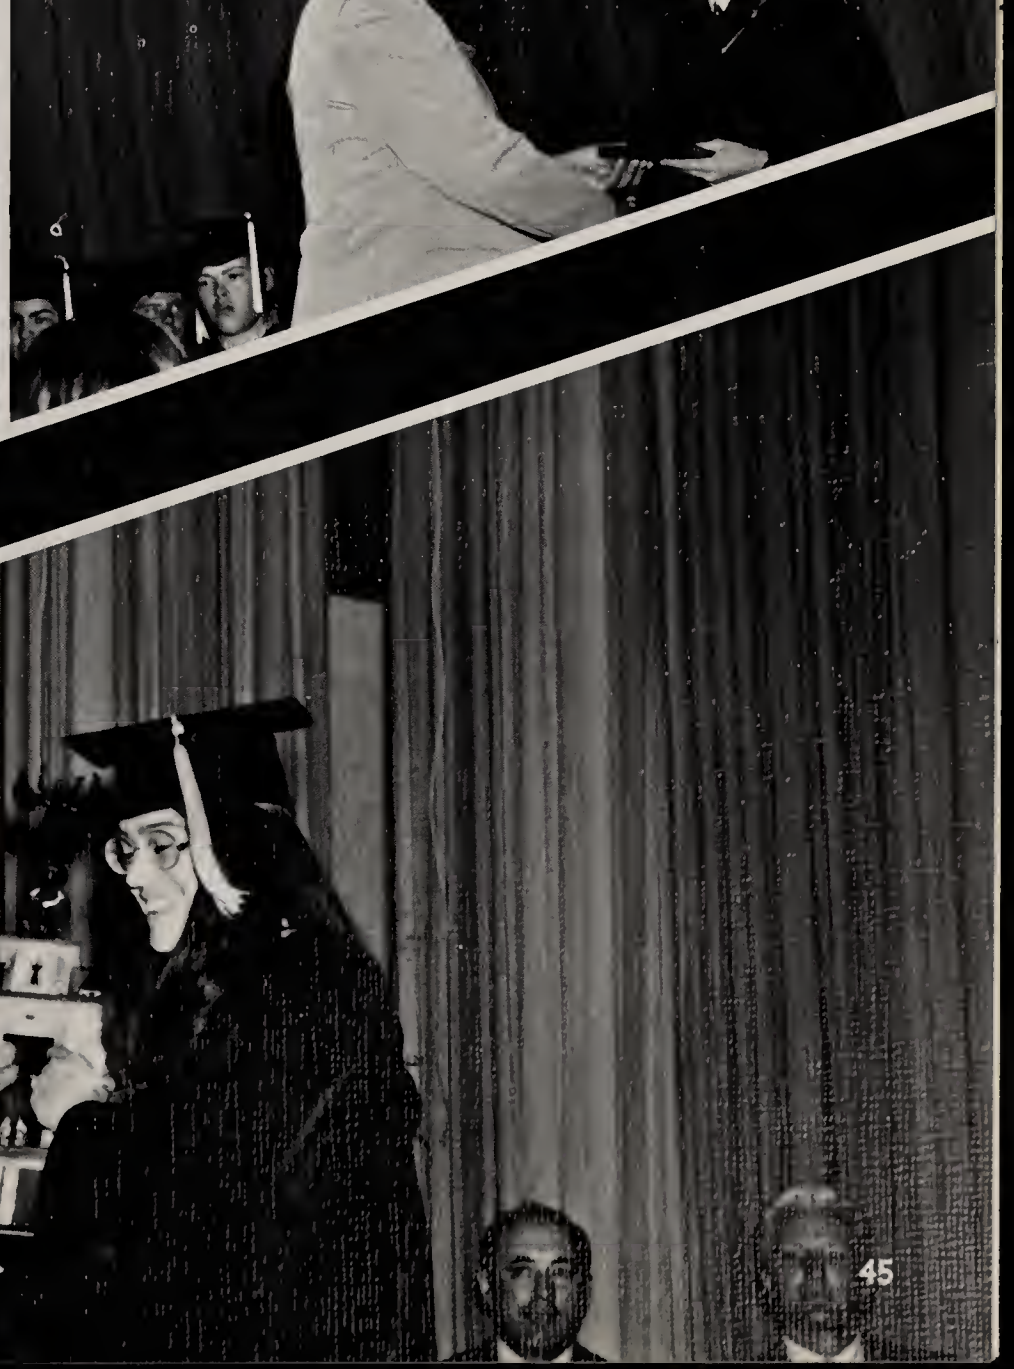
And those thoughts always center around those we love.





and for so many years have made me so very happy.





and just how much I LOVE them.

Representing the Junior Class in 1972-73 were: Deb Havens, V. President, Todd Forrest, President, and Kathy Schubert, Secretary-Treasurer.

A Real Appetizer, right girls? Don't look so gloomy!

When they said let's get high,
I thought they meant . . .

"The Odd Couple"

I pledge allegiance
to the flag . . .

Here comes Mr. Jones!

A friend is someone who likes you, somebody with whom you can be yourself. With a friend you can share a laugh, a tear, a secret and problems large and small. A friend is with you and for you to lift you up when you feel down. So when all of life seems dark ask God to send a friend.

Representing the "Frosh" were Mike Keeterle, V. President, Tammy Sonner, Sec. -Treasurer, Mike Johnson, President.

A Friend to Remember

Always a smile, never a frown,
a laugh, never a tear.
The feeling of being near.
Always bright, joyful,
never hateful, always friendly.
A girl we knew, a friend,
she had love in her heart
which put love in everyone's
heart and thought.
My friend and yours,
Maureen Hastings.

Do "Frosh classes always make you blush, Miss Nolan?

"Superman's Understudy"

Another test! I wonder if I should use true, false, true, or false, true, false?

"I think they forgot the brakes!"

One of the most beautiful qualities of true friendship is to understand and and to be understood.

An example of one way to avoid study halls.

Some frosh can't take a joke!

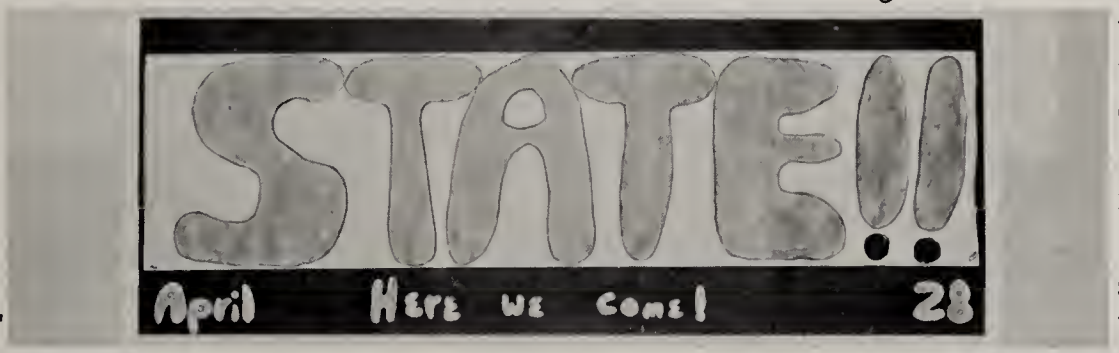
Chorus

Another year passes and the chorus members chalk one up for experience. We started the year off with a bang and the musical "Carousel." This was a more dramatic production and challenged the chorus member's abilities for it to be attempted. With the help of many people it was successful. The Christmas concert featured a special segment of the program where members of the community were asked to join us in singing some selections from Handel's "Messiah." It was a success and we hope to do it again next year. The next activity on our calendar was the State Solo and Ensemble Competition. We took twelve ensembles and twenty-seven soloists to Bowling Green.



This year we got daring and took all three groups, Mixed Chorus, Girls Chorus, Boys Chorus to District Competition at Napoleon, and received superior ratings which enabled us to go to State. State Competition was held at Shelby, Ohio on April 22, 1973, only it was a little different story . . . we came home with two excellent and one superior rating. We are proud to know that Fairview was the only B-2 class choir in Ohio that was able to take all three groups to state competition.

We were honored to be asked to sing at The First Presbyterian Church of Bryan and helped to convey the real purpose and message to the people of the Bryan community. The choir ended the year with a commencement tribute to the seniors graduating and we hope that their futures will be happy and fulfilled.

Concert Band

The Fairview Band program for the school year 1972-73 was capped off by numerous series of events. First the Fairview Band was invited again to take part in the Canadian Freedom Festival but this time in the capacity of a host band. They performed as the entertainment band along the banks of the Detroit River, next they participated in the parade itself the next day, and last, they performed a half time show.

On August 21, the Apache Band arrived at the county fair and put on an outstanding routine to the tune "Music, Music, Music". After that, the band entered the football scene where they performed at all the ball games. Also during this season the band traveled to the "Defiance Spectacular" where they competed against bands from the area and state (including Bowling Green University Band.) Fairview was the smallest in size but the largest in heart and thus put on an excellent show.

The marching Apache Band had now reached the ultimate by attending the Chicago Christmas Parade on December 9. They were the only marching unit to be selected for the parade from Ohio. Eleven states in all were represented. This, indeed, became the highlight of their success.

On the concert side of things, the band performed at Christmas, at contest and in the spring. The stage band also came into rare form by participating at the Montpelier, Ayersville, and Tinora proms. This year's pep band has been the best ever produced at Fairview. The enthusiasm has been overwhelming at the basketball games.

To sum it up, it has been a very, very good year!

Language Club

The 1972-73 Language Club consisted of twenty-two members. At the first monthly meeting Lieve Ellen from Belgium, Sabine Colditz from Germany, and Maria Veruza from Greece talked and answered questions concerning their homelands. At the Christmas party they had Mexican food, played charades and danced. The second half of the year included a poster night, a bowling party, and the club entertained by another exchange student of Fairview, Teresa Compos from Brazil. In May a picnic was held for their final meeting.

Fun-Filled Year

On September 18, 1972, the Fairview Chapter of the Future Homemakers of America formally began their new year. At a pot luck dinner thirty new members were inducted and initiated. At this meeting Ruth Klinger, state vice-president of the region spoke about her trip to the National Convention in California

The annual subregional meeting was held this year at FV with Ruth Klinger presiding. At this meeting many of the Chapter members participated to make the meeting a success. Eva Seibert represented the chapter in the regional Miss Ohio FHA contest.

October brought along a pumpkin carving contest. Out of more than forty contestants six girls were awarded prizes. Other activities planned during the year were: selling Tom Watt kits, soliciting for CROP, sponsoring the Sweetheart Hop, creating a Fairbooth, holding Daddy-Date night, and an overnight trip to Greenfield Village.

During April, many girls traveled to Columbus to take part in the State Convention. Vicki Schindler, was honored for creating the stage drop, Janet Rieke, Karol Rosebrock, Ruth Klinger, and Eva Seibert received their State Degrees, and Pam Johnson represented the chapter in the Award of Merit ceremony. Voting delegates were Kathy Rogers, Patsy Bashor, Deb Calvin, and Ruth Willitzer. A total of fourteen students participated in the convention. At the May meeting the new officers were initiated and eighteen girls received their Junior degrees. Six other girls received their chapter degrees. Everyone worked together hard to prove this year's theme - Together we can make it.

"I pray that I'll hit this."

The Varsity Volleyball team walked off of the Tinora gym this fall with the county championship trophy action. Their season record was left untouched with 13 wins.

The Reserves also had a successful year. Their final record was nine wins and two losses.

DANCES AND PLAYS

"Homecoming, September 29, 1972"

FRESHMAN - Jean Armstrong
ESCORTS - Tom Bashor and Rick Wright

The night was cold and windy, but the ever ready crowd was there to cheer the team to victory. The score of the long awaited victory was Apaches: 44 and Vickings 12.

The Homecoming activities also included the presentation of a red rose to Mrs. Jean Rieke. Mrs. Rieke has been the mother of three of the four Queens at Fairview High.

The last three Homecomings have ended in tragic defeats for our fighting Apache football team. The team turned Homecoming into a great success.

Enchanted Harvest 1972

"Enchanted Harvest" was the theme of the Homecoming Dance held Saturday, September 30th. The gym was decorated with bright autumn colors, by the Student Council and the National Honor Society.

The local rock group "Dogs Breath" entertained, what else is there to say?

We would like to thank everyone who helped make the night possible.

"Carousel"

The Fairview High School Chorus and Dramatic department presented the musical "Carousel," November 10 and 11.

The Dramatics class built the staging with some help from the chorus members.

The play takes place in a sea-harbor village where a carnival is visiting.

One of the highlights was, Billy Bigelow (Steve Jerger) telling Mrs. Mullen (Myla Johns), "Mrs. Mullen, go to heaven, and take a U-turn!"

In the four years of Musicals, Carousel, was the most challenging because of its dramatic acting values. So concludes another successful year.

Gridders Travel Rough Road

The Apache Gridders suffered through their first losing season in Varsity football competition as they finished the season with a 4-5 mark. They were 2-2 in the league, losing to league-champ Hicksville and a much improved Edon club.

The Apaches started the season with impressive victories over Wayne Trace and Antwerp. Edon then pinned a defeat on the Apaches. Fairview bounced back to soundly defeat Evergreen in the Homecoming game. Mistakes began to plague the Apache tribe as they lost to Springfield, Hicksville and Patrick Henry. The Apaches then shot down the high-flying Hilltop Cadets for the final victory of the season. Bryan downed all hopes of a winning season by handing the Apaches their final defeat of the season.

Despite having a losing season, Fairview's offensive average was 22 points per game while the defense held opponents to 18.5 points per game.

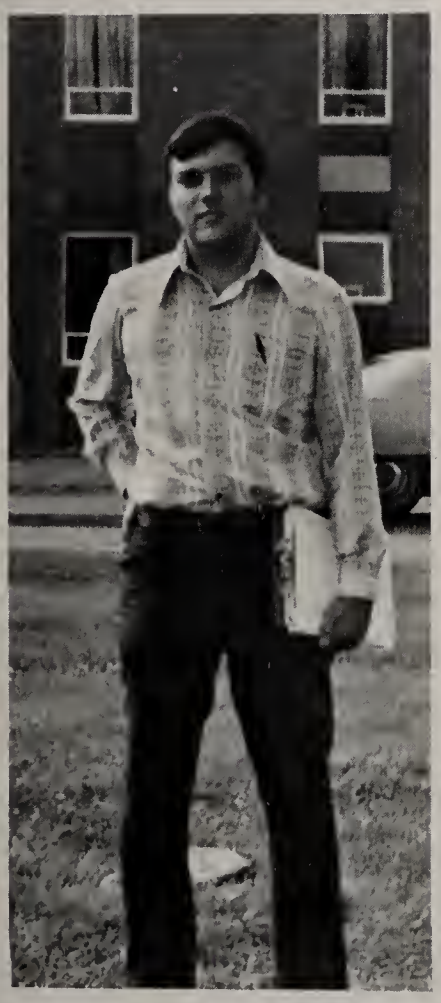
A Very Good Year

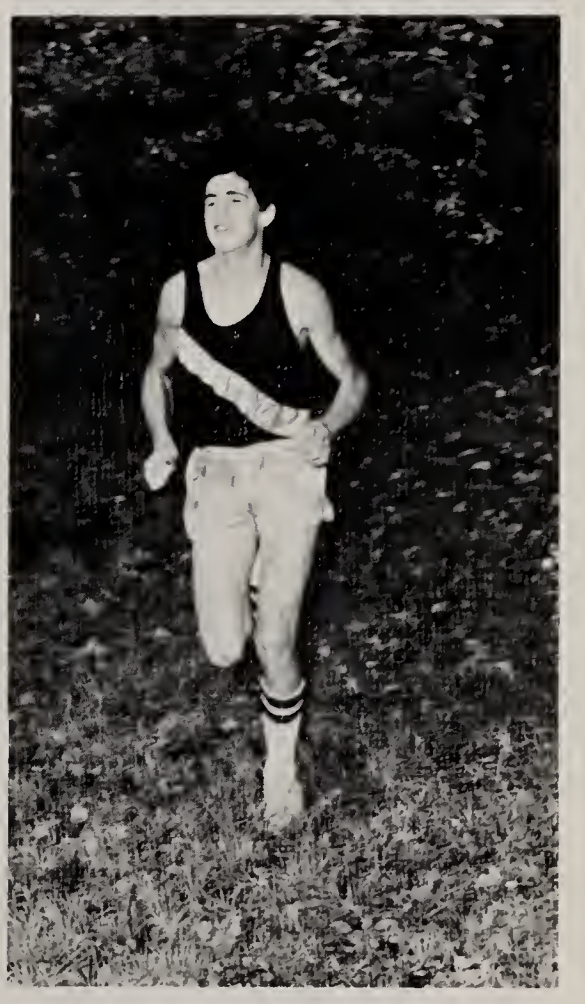


What are those guys up to now? - Coach Mohr

The Apache Cross Country team finished their season with a fine 16-12 record. This was good enough for a third place finish in the Green Meadows Conference. The top 10 runners for the Apache Harriers were Denny Sims, Denny Haller, Dewey Foust, Dave Rieke, Curt Miller, Terry Debree, Larry Winright, Jim Ross, Ken Karnes and Lenny Johns.

Denny Sims did a fine job for the Apaches this season. He worked hard and put in extra time and effort on his own. The hard work paid off when he placed in the sectional. This qualified him for the District meet. There he placed 54th, not quite good enough to qualify for State competition.

The outlook for the future is bright. Only three men will be lost from this year's team and we will have some good, strong runners returning. Let's hope that next year we can bring the first place trophy to Fairview.



Now why don't I just jump into the pond to cool off?

Seniors Lead the Way

Thanks to a nine-game winning streak during the second-half of the season the Apache basketball team finished with a 12-7 record and the school's first outright Green Meadows Conference basketball championship. The Apaches were 3-6 with a four-game losing streak before going on their winning rampage.

The team offensive average was 67.2, while the defensive average was 61.3. Chad Peter was the leading scorer on the team with 343 points for an 18.1 average. He was followed closely by Denny Sims with 340 points for a 17.9 average. Peter set the school's single-game scoring record by tallying 45 points in the first Edgerton game.

Peter was named to the first-team in the Green Meadows Conference, while Sims received honorable-mention. Both boys received honorable-mention in District 7.

Never Gave Up, and . . .

The Apache Reserve basketball team had a very successful season. Although we lost 6 games, we never lost by more than 8 points. The reason for this was because the players were always playing the best they could and never gave up. All the players on the team deserve credit for making this season successful.

The top scorers were Tom Vance with 199 points for a 11.1 point per game average. Mark Rhodes had 180 points for a 10.0 average while Joe Jerger had 170 points for a 9.4 per game average. Larry Winright pulled down a total of 138 rebounds for an average of 7.7 rebounds per game.

Young . . . but Determined

What this year's wrestling team lacked in experience was more than made up for by the young grapplers desire and determination. The varsity team consisted of: 3 freshmen, 5 sophomores, 1 junior and 3 seniors.

The team improved almost daily after losing its first match and ended the season with a 6-4 record. Among the teams other accomplishments were winning the Fv invitational tournament and placing 4th at sectionals.

The team will miss the 4 fine senior wrestlers, but with several young experienced wrestlers back next year the team should be a potential threat to every team in the area.

Dewey Foust running the mile.

The Apache cindermen had their best season in five years with a young, but competitive team. The squad was led by two seniors who will be impossible to replace in the next few years. Chuck Farr was always in the money in the pole vault and Tom Hubbard did everything except carry the water bucket.

The juniors represented their class well with premier sprinter Rick Singer; high jumper Randy Wright; long jumper Rick Grimes; and all purpose man Dewey Foust.

The sophomores were in full force, and the future looks bright.

The freshmen, although a bit green, show much potential that will be noticed in time. Trackmen, like fine wine, have to be nurtured along and improve vastly with age and experience.

The days pass
so quickly as to go
unnoticed.
Friends are made,
Studying is done,
Ideas are formed.
Good times are
always waiting.
And suddenly
it is no more.
The flight of time

was so swiftly and
silent!
We were unaware
It would end so quickly.
But the thoughts remain.
The friends are kept.
And good times
are still waiting.
Along with a life
Endowed with
happiness and success.
Go to it in Peace.
